## **FOR YOUR EYES ONLY**

DEAR AGENT,

In this file you will find all the information pertaining to ROWLAND HALL- ST. MARK'S UPPER SCHOOL. Every portion of the year 2006-2007 is documented within. It is broken down into sections for easy memorization and study. It was difficult to compile the information and many of your fellow agents worked tirelessly to bring it to you. I hope you appreciate the work that they did so that you can complete your mission.

Once you have finished looking at this dossier, and familiarizing yourself with its contents, you will be ready. Good luck, we're counting on you.

-R

Congratulations, Josh!

## ***Dedication 2007: SUSAN BECK***

This year, the Hallmark staff is honored to dedicate the yearbook to an outstanding teacher and artist. Susan Beck has been at RHSM for twenty fabulous years, starting at the Lower School and moving to the Upper and Middle school in 1995. Every student that takes her class is grateful for her expertise and sense of humor. Thanks to Susan, even those who thought they had no artistic talent were able to find that they too could paint, draw and sculpt and create something worth keeping. Susan is everything a great teacher should be, and that is why she is the very worthy recipient of this dedication.

# First Mission of the year

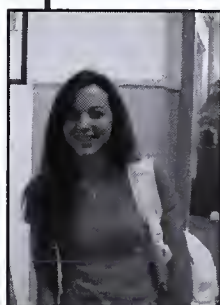

**New agents' skills are tested in a dangerous first assignment of their career.**

## **Agent: Cyrus Akrami**

One of the older recruits, Akrami is more experienced in the spy area and has had training in order to defend himself in case he's exposed.

## **Agent: Sandrine Couldwell**

A rigorous new year is ahead of all the students, full of tests, quizzes and homework. It's been heard the agents are up at all hours of the night trying to complete these tasks.

## **Agent: Eddie Broschinsky**

Fresh from the middle school, the freshmeat, er freshmen have arrived. Let's see how long they survive their first brutal year...

Melissa Patel and Ariana Barusch caught unawares in the hallway. Let's hope everyone wakes up soon!

Victoria Heagy and Olivia Akerley pose for a very professional photo on the first day.

# The First Day of School

## **Glad to be back**

Unable to interact with friends without being detected over the break, some agents are happy to be back in action.

## **Donuts!**

Donuts and food were offered outside after the first day of school assembly; surviving the mad rush to get there was truly the first test.

## **Schedule Changes Already?**

Some students were unhappy with their assignments, and had to complain to Michael Yei in order to get them changed.

Getting back in the game, a new year full of even more difficult missions and assignments is on the horizon for everyone. New technology allows for more updated techniques and methods to get through the year.

# KANAB NEVER DIES

The Freshmen once again went on their annual trip. Like years' past they went to the Coral Pink Sand Dunes State Park. They spent their time learning how to work a GPS device with Mr. Hoglund and Mr. Smith. Mr. C and Mr. Hayes led a Scorpion hike and helped indentify plants for the plant presses. Ms. Herrington was in charge of helping design the T - shirts, and the tiles for the auction project. The students did community service for Best Friends Animal Shelter; by painting a fence and playing with the animals. In their freetime the 9th Graders played ultimate frisbee and hung out at the dunes. It was a fun filled trip.

Above: Alex Pavia throws a frisbee.

Left: Alex Baer works on his biology lab.

Bottom Left: Mr. Wilson teaches and interesting lesson on moss.

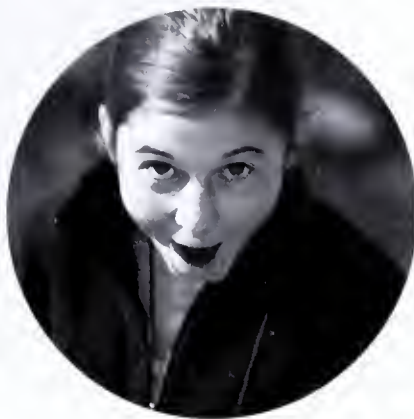

Far Left: Matt Whitby, Alec Rogers and Alison Mcdonald look at different kinds of soil for biology.

Along the Bottom: Corbin Christensen, Andrew Arsht and Eddie Brochinsky, Amanda Newman and Bohdan Klawe.

From left to right: Mr. Hayes, design for a class project for the RHSM auction, Arsene Gery and Hannah Bebbington.

Above: Chloe Hauenstein, Reem Farrukh and Kellie McManus take a break from learning.

Above Middle: Mariel Wirthlin strikes a pose with a volleyball.

Above right: Chase Saxton and Travis Hewitt collect soil samples.

Right: Rose Caston, Avril Dunleavy and Wills Shott take a break from work.

Below Right: Ben Smith explains how to use a GPS device and other ways to know where you are.

Below Wyatt McNeil makes a funny face for the camera.

The mainly sophomore volunteer group loves what they do and enjoy being part of a movement to shatter a stereotype. The students and Ms. Herrington were granted a charter by the school with the requirement that each student commit three hours per trimester to provide free babysitting for the children who attend Carmen B. Pingree School for Children with Autism. Many parents of these children are overjoyed at the notion of free time out of the house without kids in tow, a prospect they didn't dare imagine before. These volunteers raise money through bake sales, now know that children with autism are very similar to any other child during babysitting and have "learned a lot about life and how much work it is just having children."

## ***Cross Country***

The Cross Country season has been marked with success in all areas of the team, from JV Boys getting first in region, to the Varsity Boys getting third in state (the best the team has performed), to the Varsity Girl (Ana Moser) taking first in region and state. The Cross Country team trained in great places starting in June, including hot springs and Mt. Timpinogos, and they ran faster and farther than any other team in RHSM history.

Below Left: The team took a hike up a mountain in June on the Pfeifferhorn. It still had snow. Left to right: Taylor Hollen, Daniel Livsey, Matt Coleman, Alex Gardner; Assistant Coach Joe Leventhall, Middle Schooler Nathan Zick-Smith, and Ben Page.

Ana Moser; region and state champion, wins by a mile. Coming from Germany, she pushed the boys team in races and training.

Alex Edgely and Phinehas Bynum were vital runners in races and displayed a lot of improvement throughout the season.

Wilson Dippo constantly encourages and preps the team for races before and during training sessions and always performs at top notch.

Upper Left: Matt Coleman, who improved greatly over the summer, on the summit of Mt. Timpenogus. Upper Right: Daniel Livsey, a constant feature on the Varsity team powers through the second mile.

## ***Tennis***

Rockin' the court once again, the RHSM Women's Tennis Team took first place in both regoin and state for the second year in a row! The team showed determination and stamina fighting hard to defend their title. Congratulations on another amazing season!

## **Women's Soccer**

The 2006 soccer season proved to be a success for the women's team, entering the state tournament second in region, and leaving second in state. With great success, the girl's team took more than a trophy away from the season, creating a new sense of teamwork and respect for each other. Coaches Bobby Kennedy, Michael Yei, and Jamie Wilhite, attributed to the girl's greatly developed tactical skills and confidence gain. Working together from the defense to the offense, the women's soccer team had one of the best seasons that RHSM has ever seen. Thanks to the 2006 Women's Soccer team for a great season!

Bottom Right: Tasha Woolley steals the ball and dribbles up field in an intense game against Tooele.

Top: Tasha Woolley uses her advanced tactical skills to steal and control the ball against Morgan.

Freshman, Jen Achelis, fighting her way to every ball and never giving up, made a name for the young players on the team.

With a strong field from offense to defense, Caitlin Jacobs had a huge impact in the back with her big kicks and defensive tactics.

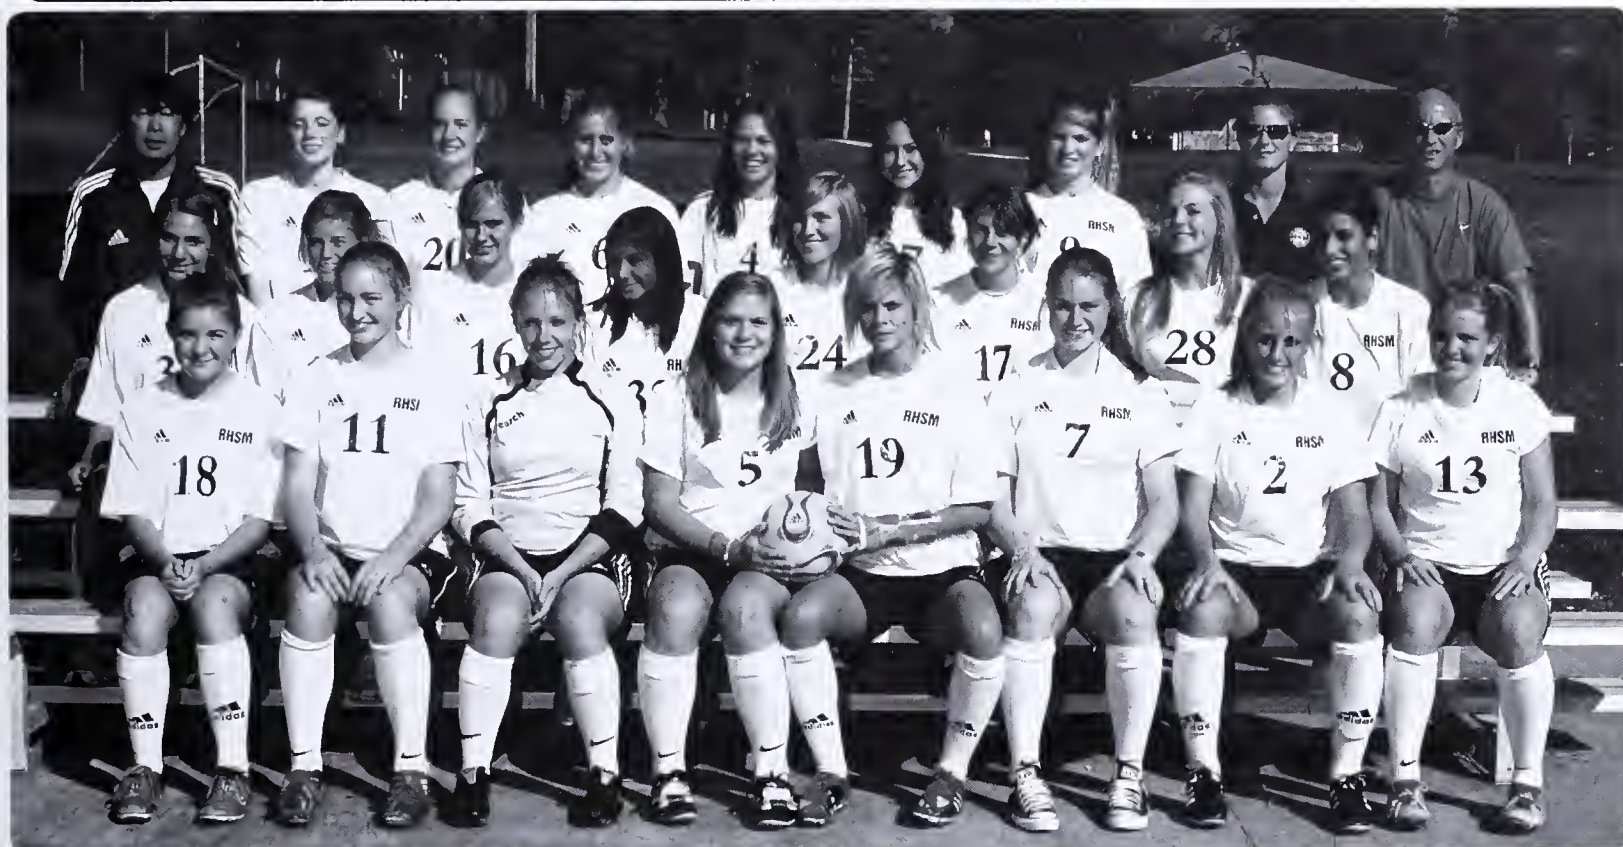

After a great season of region play, the women's soccer team made their way to the 2A state finals and took home a second place trophy.

Much different from previous seasons, the 2006 women came together early in the season as a team on and off the field. The enthusiastic nature of all three coaches helped the girls move towards their goal of a place in the 2A state finals. Left: Coach Bobby Kennedy coaches the girls at a fierce game against Tooele.

# 'The Swimming Daylights' Swimming

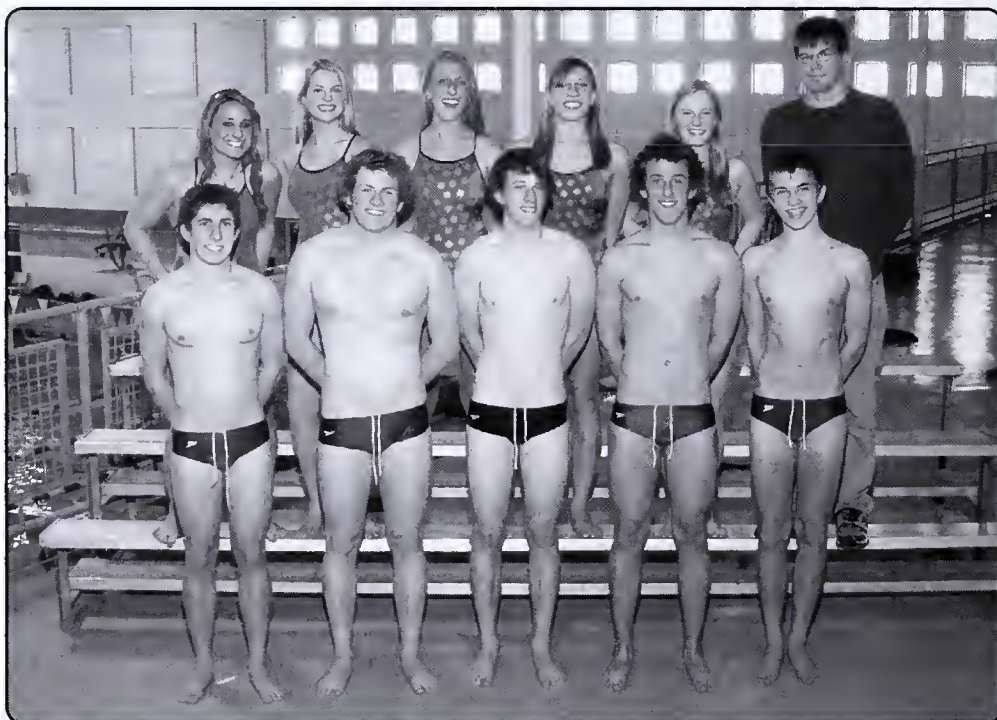

The swim team had a strong year: They had a new coach, but still continued to succeed. The girls and boys teams both made it to state! The girls' relay took 13th and the boys' relay took 4th. Jesse Dean took 2nd place in the 500 free and Connor Barton took 1st! Everyone improved over the year and worked incredibly hard. Getting up at 5 AM is what it takes to be all you can be.

# ***“The Men with the Golden Shot”***

## ***Men’s Basketball***

This year the team was led by a core group of seniors who dedicated themselves to making the team the best it could be. Led by Coach Shawn MacQueen, the team saw improvement over the long season, and was bolstered by the additions of new players and young leaders who will make the action fierce and competitive for years to come.

Clockwise from Above: Eddie Broschinsky takes on his opponent. “Defense!” the varsity team brings it in for a cheer before taking the court. Wendell Sorenson demands the ball before making a quick layup. Matt Bossart sees the open lane and passes the ball. Jared Accettura directs the team. Zack Arthur protects the basket and plays great defense as always. Michael Marquardt drives down the court and lays it up. Quentin Morse protects the ball as he scans the court for someone to pass to.

## Women's Basketball

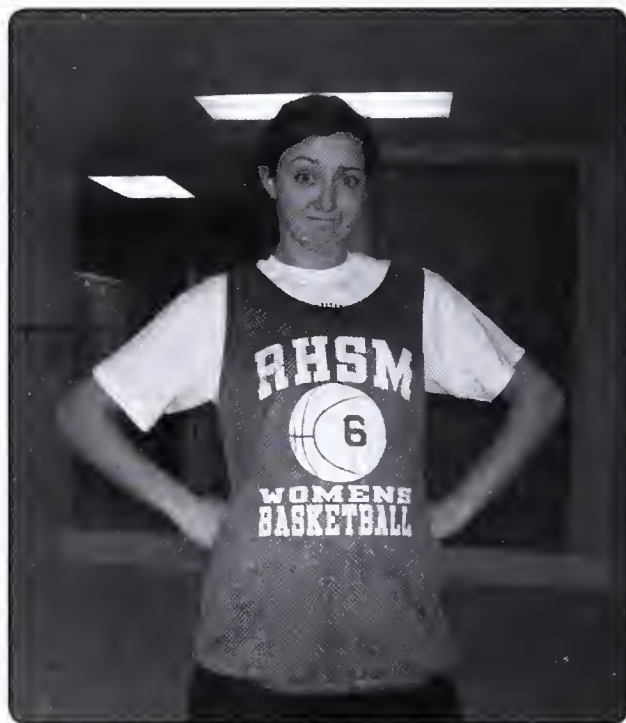

This year's women's basketball team did quite well, having practiced relentlessly and endured long bus rides to Moab and other faraway schools to conquer their teams with precision and skill. Both JV and Varsity won key games and put the team in position to win at the Region tournament. There were many great moments this season that showed that this team is on the rise.

**Left:** Hillary Dealey-Thomason led the team with smooth actions and daring shots that always seem to go in.

**Lower Left:** The team's only senior (a third year occurrence) was Jerica Johnson. She led the Varsity team with enthusiasm, experience and heart. She was also the team's clown, keeping spirits high even when a bad day gets us down.

**Below:** Top row: Coach Teresa Totorica, Erin Armentrout, Chloe Hauenstein, Namonga Kwenda-kwema, Blake Harries, Assistant Coach Jamie Wilhite, and Trainer Jesse Ann. ## ***Rowmark Ski Academy***

This year marked Rowmark's 25th Anniversary and it was another great one. The season began with a camp at Mt. Hood in August and then moved to Bear Lake for the usual Bear Lake Challenge which has become a fun and difficult part of the pre-season. After a training trip to Austria the team was ready for the start of race season. The results were impressive this year with skiers going big and refusing to go home. Happy Anniversary, Rowmark!

# WINTER SPORTS

## RECREATION AT ITS FINEST

The options for Winter Sports this year were skiing, snowboarding, ice-skating, tennis, squash, archery, indoor sport climbing, bowling, yoga and community service. Every Friday for 6 weeks, students went and spent half the day at one of these activities instead of doing schoolwork all day. It's just the break we need from hard-core tests, essays and classwork, and we all enjoy it. The half days aren't that bad either...

"Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness, that most frightens us. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine as children do. It's not just in some of us; it is in everyone. And as we let our own lights shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others." -Coach Carter

*"To leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition; to know even one life has breathed easier because you have lived - this is to have succeeded."*

*Ralph Waldo Emerson*

Molly, your  
smiles enliven  
our lives. We're  
so proud of you.

Love, Dad, Kris,  
Megan, Sister  
and Wagger!

*Congratulations Abby!*
